2. Get on Belvidere St, going north towards I-95/I-64
 - a. From the front of Gladding (Main St.)
 - Proceed west on Main St. to Laurel St (next intersection)

 - Turn right at next opportunity (Franklin St.)
 - Proceed east on Franklin St. to Belvidere (major intersection)
 - Turn left (north) onto Belvidere
 - b. From the back of Gladding (Cary St.)
 - Proceed east on Cary St. to Belvidere (major intersection)

3. Get into right-hand lane, proceed for 0.4 to 0.7 miles on Belvidere
4. Get on I-95/I-64 going east to Norfolk (right lane)
5. Stay in right lane
6. Follow I-64 (NOT I-95). You'll be encouraged by signs relating to the airport Proceed for about 6.8 miles.
7. Get off at Exit 197A (Airport Drive) going south to the airport.
8. Follow Airport Drive into the Airport. Follow the signs to hourly parking (first half hour is free!) (Second half hour is cheap!)
9. There is only one terminal. It is a small airport
10. There are two arrival wings, both accessible from the 2nd floor. Figure out whether your target is arriving in Wing A or Wing B (about 30 feet from one another). Position yourself near exit.
11. Backup plan: If meeting the target on the second floor fails, proceed to the baggage area. There are only two or three carousels.
